On behalf of Lone Star Innovations Custom, Generation Practical Shooters, Texas South Section, and KELLC, we want to thank you for being part of our Annual Texas State Match. We will keep you posted for our future matches and events. Be safe going home and we hope everyone had fun.

As for all those who help in planning and setting up stages, even hot weather cannot stop us from achieving our goals and commitments. It is remarkable teamwork and our combined efforts that have brought us this prestigious event. The GPS, KELLC, and Area 59 folks gave it a tremendous 110%. Once again, thank you from the bottom of my heart. God bless us all.
