

Greetings! I'm the match director for Generation Practical Shooters, Gil Yolo, and I'm looking for sponsors for our big match near Houston Texas.

Texas State Open Championship is our annual Level II USPSA match taking place from Friday April 26 to Sunday April 28, 2024 at Wallis-Orchard Gun Range (12206 Reinecke Rd, Wallis, TX 77485). It usually brings around 200 competitors ranging from Houston locals to visitors from other countries.

The match website can be found here: <http://www.generationpracticalshooters.com/texasopen2024.html>

Wallis-Orchard has 11 bays, a 100 yard rifle range, and a 400 yard rifle range. We'll be using all 11 bays for the match with the 100 yard rifle range used for live fire demo purposes. The rifle range will also include the chronograph stage that all competitors must visit as well as the test fire/live fire demo area with steel targets. The long range is intended as overflow parking, but can be repurposed if necessary.

We would greatly appreciate your help in sponsoring this event. The following is a description of the sponsorship opportunities:

### **Vendor Only**

If you just want space in the vendor area to set up a table and sell to the match attendees, it's free of charge as long as you bring your own table and tent. Please contact me if you want to set up a table in the vendor area so I can figure out how much space I need to allocate for vendors.

Please do not hesitate to contact me with any questions or concerns. Thank you in advance for your time and kind consideration.

Sincerely,
